

Men are mortal. So are ideas. An idea needs propagation as much as a plant needs watering. Otherwise both will wither and die.

B. R. Ambedkar

Ambedkar In Me

Dr. Ambedkar International Mission, Australia's aim is to provide the platform and conducive environment for presenting and discussing the challenges, issues and probable solutions.

Ambedkar In Me, is the initiative taken to bring out **Dr. Ambedkar** in you. It provides you a canvas & platform to share and project your ideas, vision & solution to the challenges & issues faced to achieve social justice and equality for everyone irrespective of caste, creed and gender.

Ambedkar In Me, is a conference, where in people can submit their research & work in a paper format and the selected papers/work will be invited to be presented in **The University of Melbourne** on 31st March 2018 at the "*Celebration of Social justice and equality: Dr. Ambedkar 127th birth anniversary 2018*" in Melbourne, Australia.
